The Splash comes highly recommended as part of your business' marketing diet

"Before becoming a Realtor®, I enjoyed reading The Liberty Lake Splash from cover to cover. So, as a resident of this community, when I started my real estate career I couldn't think of a better place to consistently advertise myself and now our team. People often recognize us, and it typically comes back to our Splash ads. We're grateful for the many opportunities we have to serve Liberty Lake residents as a result."

— JoAnn Zyph, Century 21 Beutler & Associates

"The Liberty Lake Splash is the only consistent advertising I do that I feel I get my money's worth! And I can consistently track it. I highly recommend The Splash."

— Jason Hanley, Owner of Acme Integration

"The Splash helps me reach my target demographic and gets my name and business out into the community. I continue to have a positive response and great results from my Splash advertising."

— Karen Pagliaro, Owner of Karen Does My Hair

TERMS AND CONDITIONS

1. The deadline to guarantee inclusion of an ad in The Splash is Friday at noon before the requested issue is printed. 2. Peridot Publishing publications strive to be family friendly. As such, the content of any ad is subject to review by the publisher. Any ad may be deemed inappropriate at the publisher's discretion and thereby will not run. Ads with content that is suggestive, risqué, manipulative, deceptive or promotes themes, products or services that are not "family-friendly" in the eyes of the publisher are among the types of ads that will not run in our publications. Businesses that cater mainly to adults are asked to keep this in mind when choosing how to present content for an ad in a Peridot publication. 3. Advertisers who desire significant design revisions or one-on-one time with a Splash designer will be charged \$75/hour for design time. 4. If it is learned at the conclusion of a contract that an advertiser purchased enough advertising to qualify for a higher discount level than originally signed up for, the savings that would have been realized over the course of the year at the higher discount level will be credited to the advertiser's account for future Splash advertising. Conversely, advertisers who do not achieve the discount level they signed up for will be billed for the difference between the discount they were billed and the discount they actually achieved. 5. Accounts more than 60 days past due will have all discounts, contracts or special rates forfeited and will be rebilled at the open rate. Accounts more than 90 days past due that have not reached a mutual agreement with The Splash for payment will be turned over to a collections agency.
