Liberty Lake

**THE  
Splash**

## Dear Attendee,

Liberty Lake Kiwanis would like to acknowledge those who sponsored and supported our event! This event wouldn't be a success without the thousands of people who come to visit from afar and those who live near! Six years ago we were asked if we would continue the tradition of the Yard Sales and we accepted. Each year we strive to make it better. This year we chose to have it as a two day event to hopefully reduce the traffic congestion and increase the overall sales for the participants. This year we also have 17 portable toilets to make those 'gotta go' moments a little less stressful. Many of our merchants have also opened their establishments to the usual as well. Stop in and tell them thanks for us.

Funds from the registrations and sponsorships go to pay for the porta potties, printing and distribution of this amazing guide and advertising. All remaining funds go to scholarships for Spokane area graduating high school students. This year alone we awarded 13 students a total of \$10,500 which came from our fundraising efforts at events such as the yard sales, Barefoot in the Park Beer Garden/Car Show, concessions in Pavilion Park during the summer and the annual Father/Daughter Dance, to name the big ones. The Liberty Lake Kiwanis Foundation will be debuting a mother / son golf scramble (See page 5 for details)! If you are looking to make an impact on lives of our children join us for one of our events in the park we are always welcoming new members and helpers! We meet weekly in the council chambers at city hall at 6:45am on most Wednesdays and the third Wednesday is noon at Barlows.

Again thanks for supporting the kids in our community!

**Melissa Niece**

# Welcome to the sales!

## Q&A for shoppers

Welcome to the 24th annual Liberty Lake Community Yard Sales. For the first time ever as a two day event where more than 200 registered private sales and commercial vendors await you!

This guide includes individual descriptions of these sales on the pages that follow. First, here is a quick Q&A to get you pointed in the right directions for this year's event.

**Q: Give me the low down on what I am holding in my hands here. What kind of information is available to me in this guide. I've got shopping to do, so skip the flowery stuff and let me in on what's really worth my time.**

**A:** Understood. To the point, we designed this guide with you in mind, and we think you are going to find this to be an essential companion to efficiently help you to make the most of this year's event.

The guide is only 16 pages on purpose and most of those are filled with invitations from more than 200 people listing items they have for sale in their yard, driveway, or garage. They are organized by neighborhood, and a master map showing every neighborhood (and thereby how to get there) can always be references on page 4.

**Q: Got it. So I can see on the map where I want to start my shopping. What should I be looking out for as far as traffic and parking?**

**A:** It really depends upon where you are headed, but in most cases you should be prepared to find legal parking along the perimeter of the neighborhood and then travel the rest of the way as a pedestrian. In areas with heavily clustered sales, driving directly to a home will likely have you feeling like Capitol Hill — perpetually in gridlock.

That being said, your two legs may prove to be as able transportation devices as any. There are sales in virtually every Liberty Lake neighborhood, and walking has the added perk of being difficult to get stuck in traffic.

**Q: Are there areas I shouldn't park?**

**A:** Yes, and you're going to have to use some common sense on this one and obey general parking and traffic laws. For instance, do not park in bike lanes, in front of fire hydrants, in intersections or blocking driveways.

Members of the Liberty Lake Police Department bicycle patrol and volunteers from Liberty Lake SCOPE will be canvassing the event to help enforce the law while assisting with traffic flow and any public safety concerns. The on-duty phone number for the Liberty Lake Police Department is 509-218-4899.

**Q: Where do I go if I have a question or an emergency?**

**A:** As always, dial 911 in an emergency.

For general questions or lost and found, head to Pavillion Park and visit the organizers of the event, the Liberty Lake Kiwanis. They are manning an information booth along Settler Drive amidst the other vendors.

**Q: Pavillion Park? Why do you keep mentioning that place, and what's with the Middle English spelling?**

**A:** Very astute observation. Pavillion Park takes its name — and spelling — from the old Dance Pavillion that once attracted bands and merrymakers to the community and that was actually located on Liberty Lake itself. The "pavilion" structure at the modern-day park was designed after this original.

Pavillion Park has relevance today as the hub of this event, with information, sales and dozens of commercial vendors.

**Q: What else is happening in Liberty Lake today?**

**A:** Great question. The event corresponds with the Liberty Lake Farmers Market, which runs each Saturday from 9 a.m. to 1 p.m. Look for it on at Town Square Park, located just off Appleway along Meadowwood Lane.

The Liberty Lake business community is also nearby with several restaurants and stores to fill your needs.

Of course, be sure to visit Liberty Lake all summer, whether it's to attend a concert or movie at the park, to play a few of the community's 45 holes of golf, or to

return for one of our great events like the weekend long Barefoot in the Park Celebration in August or the Rotary in Motion Bike Ride in September (you can learn more about these events and several other great local businesses and organizations in the advertisements found in this guide).

To find out what's happening at any given time, check in at [www.libertylakesplash.com](http://www.libertylakesplash.com), pick up a copy of The Splash around town, or visit us this weekend in Pavillion Park. The local team that puts together The Splash also publishes this Yard Sale Guide and The Current, a newsmagazine for the greater Spokane Valley available at more than 220 locations between State Line and Havana. Learn more at [www.valleycurrent.com](http://www.valleycurrent.com).

Thanks for visiting Liberty Lake!

## Q&A for sellers

The time has come. Thousands of people are descending on your community looking for treasures, and you have a few things you wouldn't mind parting ways with. As Garth Algar put it, "It's almost too easy!"

Thank goodness for the annual Liberty Lake Community Yard Sales, right?

We will be doing the drawing for the \$100 off Christian Bros. Automotive for those who registered, on June 28th at the Kiwanis Meeting @6:45am come join us! We will post in our FB Page and Online at [www.libertylakekiwanis.org](http://www.libertylakekiwanis.org) who the lucky winner is!

**Q: What?!? The annual Yard Sales are this Saturday? I totally spaced it with all of this nice weather. Is it too late to participate?**

**A:** If you're reading this and the event's not over, then the answer is "no," but would you please be a good member of our community and go ahead and register.

Wave upon wave of shoppers didn't come to this community today because you decided to hit your garage door opener and put a few items in the driveway, so please support the future of this event and the great community service organization that spends countless hours making it possible, the Kiwanis Club of Liberty Lake.

The cost to register is a mere \$10, and the online registration link at [www.libertylakekiwanis.org](http://www.libertylakekiwanis.org) will still be up through the weekend of the sale. Your contribution helps with supporting the future of this event, and any proceeds are put right back into the community in the form of scholarships and other youth programs.

**Q: Perfect. I'm in. Anything I may think is OK but really shouldn't do?**

**A:** For one thing, selling food isn't as easy as firing up a barbecue and putting up a sign. There are county regulations that apply, and health inspectors have attended past events. When in doubt a phone call or online visit to the Spokane Regional Health District should shed some light.

Also, public officials discourage you from inviting random shoppers into your home for any reason. Thanks to our public parks and to the Kiwanis Club for additional portable bathrooms, there are public restrooms available throughout the community (see maps throughout this guide to point people in the right direction).

**Q: When the event is over, how do I donate things I didn't sell?**

**A:** Unlike previous years there will not be a prearranged charity coming door to door to gather your unsold items. However, Goodwill will be manning a donation site at Town Square Sunday and Monday for your convenience in dropping off donations. If you would like your items picked up you can call Twice is Nice Thrift Store 509.701.0215 to arrange pick up.

**Q: This is a great event. How can I make sure it continues for another 23 years?**

**A:** First off, participate as an official sale. It's \$15, and the event must be supported to keep the tireless volunteers from biring.

Second, don't trash the town. See the previous question for proper methods of disposing items that don't sell.

Finally, give us your feedback. Do you have questions or suggestions for next year's event? Email [yardsales@libertylakesplash.com](mailto:yardsales@libertylakesplash.com) or talk to your favorite neighborhood Kiwanian.

# LIBERTY LAKE COMMUNITY YARD SALES

## MAPS AND LISTINGS, PAGES 4-10

(Use the map below as a geographic guide to zero in on yard sale locations and listings by neighborhood)

## USING THE MAPS AND LISTINGS

A few quick tips to make the maps and listings on the following pages simple to read and find.

Refer to page 4: A map of the entire community is on page 4. On it, we sliced up the community to show you where in the guide you can find listings for a particular neighborhood.

Simple as A to Z: Use the corresponding maps on pages 5-10 to zero in on the neighborhoods where you want to do your shopping. The listings that accompany these smaller maps are alphabetized by street name.

"Mom, I gotta go!" Public restrooms are available at strategic locations throughout the community, and they are marked by one of those universally recognizable blue symbols on the maps. Permanent facilities are located at Pavilion Park and Rocky Hill

Park, and portable restrooms have been delivered to several other points throughout the community. Phew!

Turned around? Questions? Lost and found? Want to check out the official vendors? We can help you with that at **Pavillion Park**, the official hub of the event in the center of the Liberty Lake community (see the zoomed-in portion of the map on page 4). The Kiwanis Club of Liberty Lake, official organizer of the event, will be there to help point you in the right directions.

*One weekend,  
a lifetime of memories!*

Mukogawa Fort Wright Institute is currently taking applications for caring host families willing to open their heart and home to a pair of students for just **ONE WEEKEND!** When you host students, your family

gains the opportunity to learn about another culture while sharing your American values, traditions and experiences. This one weekend opportunity could be your way to find out if hosting is right for your family. Our homestay weekend program has been developed by educators who believe in the value of cultural exchange and active participation as a means of deepening students' understanding of our culture, values and diversity!

Call us today to get involved at (509) 232-2071 or visit our website at: [www.japan2spokane.com](http://www.japan2spokane.com)
